Ok lets the two of you try to schedule it for this week. They think the Corp may issue a permit next week, so that is what is driving the timing. Invite me, but with my schedule I may not be able to come, so don't schedule around me. Thanks.

I can do overview (after I re-read the letter), but it would be very helpful to have Jason or Liz for support on the water issues.

I've offered to Chris that perhaps we should give him a run-down of our comments on the draft. Informal would be fine. Who could best do this?
